

DEF TANK ACCESSORIES

Iowa Customs' DEF Bracket Cover System covers the OEM DEF Tank Brackets allowing you to further enhance the look of your truck. Expertly crafted from 16GA #8 304 Non-Directional Polished Stainless Steel, the DEF Bracket Covers and DEF Tank Top mount directly to the brackets utilizing the OEM hardware. Depending on the location of your DEF tank, the optional upper tank cover helps further cover the DEF Tank and its components to further complete the look.
