

STORAGE SOLUTIONS

Our Peterbilt Storage Kits are ideal for keeping your truck organized. Our 5 drawer kit includes a 38 in. storage solution with an open shelf option above and a trim kit to give it the finished look. The Table Top Option is only offered in the 5 drawer unit. All units feature 1-piece drawers, so the bottoms never fall out and ball bearing slides with “Stay-Closed” technology, so the drawers will never open while going down the road!
